Property Description

Lake Mont Pines Mountain Cabin

A comfortable, fully furnished, mountain vacation home in the beautiful Sierra Mountains, our cabin is located in Arnold, CA, "The Heart of the Sierra Mountains Gold Country" and Calaveras County.

Our cabin is conveniently located between Angels Camp and Bear Valley Mountain Resort. Although nestled amongst the trees almost at the end of a cul-de-sac, you are actually within 5 minutes of the area grocery store, shopping center, and 2 local golf courses. You are also no further than 30 minutes to 1 hour of all the activities that the Central Sierras has to offer.

Lake Mont Pines Community is known to its local residents as a "Piece of Heaven" or the "Jewel of the Mother Lode." What sets Lake Mont Pines apart from the other subdivisions is the private recreation lake, which is within a short walk from the cabin. There is the large year-round lake, clubhouse, snack bar, and many summer activities.

2900 Pine Knoll Drive is a fully equipped, 2 level cabin with almost all the amenities of a full time home. There are 3 bedrooms, 2 full baths with beds to sleep 7 people. Our cabin is decorated with a mountainous touch and slight country feel. Each bedroom has cable TV and the family room has a 27" TV with a VCR/DVD combo unit. You will feel very relaxed sitting in the family room watching your favorite movies, playing games with family and friends, or just watching the snow fall while nestled near the free-standing, wood-burning fireplace (stacked wood is provided).

There is a nice open deck in the back for you to barbecue and dine outdoors, stargaze at night, or simply enjoy the sun and read a book. A long open driveway accommodates 4-5 cars if parked in tandem. NO smoking and NO Pets.

A perfect place for family gatherings or a quiet getaway.

Winter months bring sledding, snowshoeing, cross country and down hill skiing at Bear Valley, snow tubing at Cottage Springs, and snowmobiling.

Spring and Summer months brings visits to Calaveras Big Trees State Park, Columbia State Park, Rail Town, Mercer Caverns, hunting, camping, hiking, biking, gold panning, and water sports including rafting or kayaking down the Stanislaus River, and jet skiing, boating, or fishing at Lake Alpine.

The Calaveras Wine region is made up of 18 local wineries, which produce a variety of award winning wines for your tasting pleasure. There are 5 golf courses within 45 minutes, great shopping in Murphy's and Angels Camp, tasty restaurants, art galleries, and so much more.
